From **Fire Chief CARPENTER, H. RODNEY**

Subject **GOOD NEIGHBOR PRACTICE**

This is a reminder to everyone to be respectful of our neighbors and to keep confidential matters confidential. Warm weather is finally here and that usually means open windows and doors for everyone. At times we have a stressful job to do and sometimes we all need to unwind after calls. With that in mind everyone is asked to keep noise down to a minimum after 9 pm. This includes but is not limited to the following: Conversations taking place in the front or rear parking lots, Loud behavior inside with the doors and windows open, or any other behavior that is loud and / or disturbing for no practical reason. This is not meant to stop us from responding to late night calls or to stop us from putting the trucks back in service after a call. It is only meant to help us be good neighbors. There will be signs posted with 9 PM Quiet Time to remind us. If you have any questions or concerns please let me know

Thank You for your cooperation
Chief Carpenter
