To **ALL PERSONELL**

From **Fire Chief CARPENTER, H. RODNEY**

Subject **I'M OUT POLICY**

Often we are asked to perform a job that no one should be asked to do. Unfortunately this is a fact of life in our field. There are times when even professionals such as ourselves are put in situations that are just too emotionally difficult for us to deal with. If you find yourself in one of those situations and need to remove yourself from the situation just say the words "I'm Out" and the officer in charge will remove you from the incident as long as it doesn't pose an immediate life safety risk. You will not be questioned or ridiculed for your request. We appreciate everything you do for your community and this department and we want to support you in any way we can.
