Date **07-01-07**

To **ALL PERSONNEL**

From **Captain JOHNSTON**

Subject **CHANGES TO DATATRAC**

Effective 07-01-07, when adding patients to the DataTrac Incident Reporting System, we will now use the Red Serial Number issued by the State to identify the Run Sheet on the Incident Report.

There has been a screen added called "Your name Desktop", you can click on that to view your reports, ie. Work Orders, PO's and Incident Reports, this will give you a better view of what you have outstanding at anytime.

Also on the Main Screen it will now identify if you have any Outstanding Work Orders or Incident Reports.
