Created Date 08-21-07

Effective Date 08-21-07

08-21-07 Captain Dupras,

GENERAL ORDER
07-383

Subject:

Engine 1 Piston Intake (Jaffrey Valve)

Remarks:

The Jaffrey valve has been removed from Engine 1 due to a missing part which is on order. There is a 6 inch female x Stortz adapter in the fitting compartment in case we need to take water in through the steamer port.
