Subject:
New Pedi Kit

Remarks:
Rescue 5 has a new Pedi Kit. The kit has all pedi equipment in it including the intubation kit, B/P & Stethoscope and IV supplies. The BVMs and Oxygen supplies are in the marked side pouches. Look the kit over to familiarize yourself with it. Note: to avoid confusion all pedi oxygen supplies have been removed from the cabinet and placed in this kit. Please do not add any additional equipment to this kit without authorization.
