

Goodwin's Mills Fire-Rescue

Created Date 04-16-09

Effective Date 04-16-09

04-16-09 Lieutenant Duross,
Mathiew

GENERAL ORDER 09-450

Subject:

Triple Layer hose load

Remarks:

Engine 3 is now equipped with a triple layer hose load on the Officer's side crosslay pre-connect.

To pull hose load, take nozzle with the hose that is already passed through the bail and pull.

Engine 2 and Engine 1 will be equipped the same way after their hose testing night.
