DEPARTMENT TRIVIA QUESTION OF THE WEEK:

The first snow blower the Department owned was purchased from who?

Last Weeks Answer: Yes, E1 (1961 International/Maynard) (Normand, Rod and James got it)

All of our pumps today are single stage, did we ever own a two-stage pump?

TRAINING QUESTION OF THE WEEK:

At .1% how many gallons of water will a 5 Gallon pale of Class A foam be good for?

Last Weeks Answer: To prevent feedback, the portable radios are able to pick up your voice through the voice emitter provided on all scba masks. (James & Jason got it)

Why is your voice box on your scba mask on the opposite side as your radio pocket?
